[How to write a press release...](#) Aug 11, 2009 I recently sent out a long laboured over press release that contained amazing information for the global media. It bombed :-). I sent it to a journo mate of some repute and this is what he said I should do to improve it. It thought you might like to read it...

[Press release 29th July 2009 - First ever 'social media' English course book published by Languages Out There](#) Jul 28, 2009 Press release announcing that we are the first publisher to produce an English course book for use with social media. It might seem a bit rushed, but we have been working on this for years and it is a very natural progression for us since our materials are all based around real conversation and communication with native and fluent speakers of English.    [Press release - English school of the future is Out There](#) May 1, 2009 Press release 03/05/09

**The English school of the future has no school building or classrooms, and it isn't even in Second Life. It's Out There.**
